Q1 - General / Routine

Tell me about going to the beach or camping. Where do you usually go, who do you go with, and what do you usually do there?

전략

첫 번째 질문은 평소 해변이나 캠핑을 즐기는 방식입니다. 어디에 가는지, 누구와 가는지, 현장에서 무엇을 하는지 순서대로 말하면 안정적입니다.

IL

I sometimes go camping with my family. We usually go to a campground near the city. We set up a tent, eat together, and take a walk. I like the fresh air.

IM

I usually go camping with my family a few times a year. We often choose a campground that is not too far from the city. After we set up the tent, we cook simple food, take a walk, and relax outside. I enjoy it because it helps me get away from my usual routine.

IH

I go camping with my family a few times a year, usually during spring or fall when the weather is comfortable. We prefer a campground within an hour or two of home, so the trip does not feel tiring. Once we arrive, we set up the tent, prepare food, and walk around the area. Sometimes we also visit a nearby beach. What I like most is spending time outdoors without thinking about work or schedules.

AL

I do not camp every month, but my family and I try to go several times a year, especially in spring and fall. We usually look for a campground within a reasonable driving distance because we want the trip itself to stay relaxing. After setting up the tent, we cook something simple, walk around the site, and sometimes head to a nearby beach before sunset. I enjoy the quiet atmosphere and fresh air, but more than anything, camping gives us a chance to slow down and spend time together without the distractions of everyday life.

Key Expressions

get away from the city · set up a tent · walk along the beach · enjoy the fresh air

Q2 - Past Experience

Tell me about a memorable trip to the beach or a campground. What happened, and why do you remember it?

전략

두 번째는 기억에 남는 경험입니다. 언제 누구와 갔는지, 예상치 못한 일이 무엇이었는지, 어떻게 해결했고 왜 기억에 남는지 시간 순서로 이어 주세요.

IL

Last year, I went camping with my family. It suddenly rained in the afternoon. We stayed inside the tent for a while. Later, the rain stopped, and we had dinner outside. It was memorable.

IM

Last year, my family and I went camping near the coast. The weather was sunny at first, but it suddenly started raining in the afternoon. We stayed under a shelter and waited. After about an hour, the rain stopped, so we cooked dinner outside. I remember the trip because the weather changed our plan, but we still had fun.

IH

One camping trip I remember clearly was a family trip near the coast last year. The morning was warm and sunny, so we expected perfect weather. In the afternoon, however, dark clouds appeared and heavy rain started unexpectedly. We quickly moved our chairs and food under a shelter and waited there together. Fortunately, the weather cleared up later, and we were able to cook dinner outside. The sudden rain was inconvenient, but it actually made the trip more memorable.

AL

A camping trip that really stands out was a family trip to a coastal campground last year. The forecast looked good, and the morning was so clear that we did not expect any trouble. Then, in the middle of the afternoon, the weather changed almost instantly and heavy rain started falling. We rushed to protect our food and equipment and took shelter together. For a while, I thought the rest of the day was ruined, but the rain eventually passed and the sky cleared before dinner. We ended up cooking outside, talking about the sudden storm, and laughing about how unprepared we had been. What could have been a disappointing trip turned into one of our favorite memories.

Key Expressions

the weather suddenly changed · take shelter · clear up · turn into a great memory

Q3 - Change / Comparison

How has the way you enjoy beaches or camping changed compared with the past?

전략

세 번째는 과거와 현재 비교입니다. 과거에는 준비나 정보가 어땠는지, 지금은 예약 · 날씨 확인 · 장비가 어떻게 달라졌는지 말하고 변화의 결과로 마무리하세요.

IL

In the past, camping was more difficult for me. Now I can check information online and reserve a campground easily. I also have better equipment, so camping is more comfortable.

IM

In the past, I did not have much camping equipment, and I usually found information from other people. These days, I check the weather and campground information online before I go. I can also book a site in advance. Because of that, camping is easier and more comfortable now.

IH

The way I go camping has changed quite a bit. In the past, I had only basic equipment and often decided where to go with very little information. These days, I check reviews, weather forecasts, and campground facilities before leaving. I also reserve a site online and prepare according to the forecast. As a result, there are fewer unexpected problems, and the whole trip feels more organized.

AL

Camping has become much easier for me compared with the past. Years ago, I had only basic gear and often relied on recommendations from friends when choosing a place. Now I can compare campgrounds online, check detailed weather forecasts, reserve a specific site, and even look at nearby facilities before I leave home. My equipment has improved as well, so setting up and packing are much faster. I still like the spontaneous feeling of being outdoors, but better preparation means I spend less time solving avoidable problems and more time actually enjoying the trip.

Key Expressions

compared with the past · check the forecast · book a site online · be better prepared

Q4 - Role - play

You planned a camping trip with a friend, but the campground has closed because of bad weather. Call your friend, explain the problem, ask at least three questions, and suggest an alternative plan.

전략

마지막은 악천후로 캠핑장이 폐쇄된 상황입니다. 원래 계획과 문제를 설명하고, 가능한 날짜 · 다른 장소 · 친구의 선호를 최소 세 가지 질문으로 확인한 뒤 대안을 제시하고 최종 확인까지 하세요.

IL

Hi. The campground is closed because of bad weather. Can we go next weekend? Are you free on Saturday? Do you want to choose another campground? We can also take a day trip. Please let me know.

IM

Hi, I just found out that our campground is closed because of bad weather. Are you free next weekend instead? Would Saturday work for you? Do you want to book a different campground, or would you rather take a day trip to the beach? I think we should change the plan and avoid the storm.

IH

Hi, I am calling about our camping trip. I just checked the campground website, and unfortunately the site is closed because of the bad weather. Would another weekend work for you? Are you free next Saturday? Should we try a different campground, or would you rather do a day trip to the beach this weekend? I think postponing the camping trip is the safest option, but I am open to either plan.

AL

Hi, I wanted to call you about our camping trip. I just checked the campground notice, and the entire site has been closed because of the bad weather forecast, so we cannot go as planned. Would next weekend work for you instead? Are you free on Saturday, or would Sunday be better? Should I look for another campground in a different area, or would you rather keep things simple and take a day trip to the beach this weekend? My first choice would be to postpone the camping trip until next Saturday and keep the same campground if it reopens. If that works for you, I will check the reservation policy and confirm the new plan tonight.

Key Expressions

the campground is closed · because of bad weather · Would another weekend work for you? · How about a day trip instead?
